this _____ day of _____, 200__

The club's policy on cold weather follows. Training sessions are canceled when the combination of temperature and wind chill reaches minus 25 Celsius. All club members will refer to Environment Canada's Roblin, Manitoba website http://weatheroffice.gc.ca/city/pages/mb-32_metric_e.html

Please make arrangements to call someone if you have no access to the web. At temperatures approaching -25, training sessions may be shortened or otherwise adapted to deal with extreme conditions. Coaching fees will not be reimbursed in the event of weather cancellations. (We seldom cancel more than one day a winter, and the club still has expenses to cover).

MEDICAL

In the event of a medical emergency, the form should accompany your child to the hospital/clinic so that medical treatment can be rendered.
